INTRODUCTION

If you're reading this e-book, chances are you're either a business owner or a marketing professional who understands the importance of online marketing today.

We all know that nowadays, traditional marketing methods are becoming both expensive and ineffective and you know that by neglecting to promote your business online, you're missing out on the impressive business results that an effective online marketing strategy can bring about.

Whether your business is just getting started with internet marketing or you want to look over on the basics, this e-book will help you to set up and implement a successful online marketing strategy, step by step.

Advantages Of Using Pinterest

Listed below are some of the advantages of Pinterest for increasing the profit and growth of the business, which cannot be missed:

- ✓ It gives you focused functionality
- ✓ Pinterest converts more browsers into buyers.
- ✓ not too costly, little management and maintenance
- ✓ Pins get you more inbound links.
- ✓ Pinterest allows us to chronicle and share what we love.
- ✓ Both brand pages and individual users have same features to access.
- ✓ Pinterest integrates with your website, Facebook profile, and Twitter account.

Disadvantages Of Using Pinterest

There are so many disadvantages of marketing your business on Pinterest.

- ✓ Pin on multiple boards at one time.
- ✓ Advanced search within specific board.
- ✓ A way to manage my following boards.
- ✓ Privacy Concerns
- ✓ Copyright Issues
